GROUPS AT INFAME

Groups of 10 or more, right on Largo do Intendente, in a restaurant with room for 100.

We welcome groups of 10 or more, with a pre-selection from our menu, a buffet menu or a sharing menu. The restaurant seats 100 and, if the occasion calls for it, we can add a DJ or special decorations.

Infame lives on the ground floor of the 1908 Lisboa Hotel, right next to Martim Moniz. The menu, by chef André Rebelo, brings Portuguese flavours together with influences from all over the world, like the neighbourhood around us, always with fresh, local and seasonal produce.

The name has a story: in 1908 the hotel building won the Valmor Prize and, further down by the Tagus, Queen Amélia shouted «Infames!» (infamous!) at the men who had just killed the King.

HOW GROUPS WORK?

At Infame, we love bringing people together around the table! We welcome groups of 10 or more, with the option to pre-select dishes from our à la carte menu or choose a sharing menu. For groups of 20 or more, we also offer buffet menus, perfect for a relaxed group dining experience. With space for up to 100 guests, Infame is the perfect setting for your group dinner. And if you'd like to add a little extra atmosphere to the evening, we can also arrange a DJ.
